**"Education is the process of facilitating learning and the acquisition of knowledge, skills, values, beliefs and habits."**

Today, the role of school is not only to pursue academics excellence but also to motivate and empower the students to be lifelong learners, critical thinkers and productive members of an ever changing global society.

Gyan Akshar School Unjha is striving hard to mold their students to achieve their goals by conducting various activities to ensure holistic development of their students. All the members of the school try to make every child a self-reliant person and a responsible citizen.

The parents are the most strengthening power in molding the future of children. Their consistent and conscientious support empowers us to step ahead in the path of progress for children. We at Gyan Akshar school-Unjha aspire to achieve academic excellence that will open any door for our students.

#### **This month:**

- PTM was conducted this month to discuss the child's progress and areas of improvement,
- Republic Day celebration to inculcate patriotism,
- Multiple activities both academic and non-academics for the holistic development of the students.

## SCHOOL CELEBRATIONS

### 1. Kite Making & Kite flying

We at Gyan Akshar School Unjha help our students to know the importance of the festivals through different activities to explore and have in-depth knowledge about the festival.

Students participated in kite making and kite flying activity virtually and depicted their creativity with a beautiful messages on their kites to spread positivity and happiness.

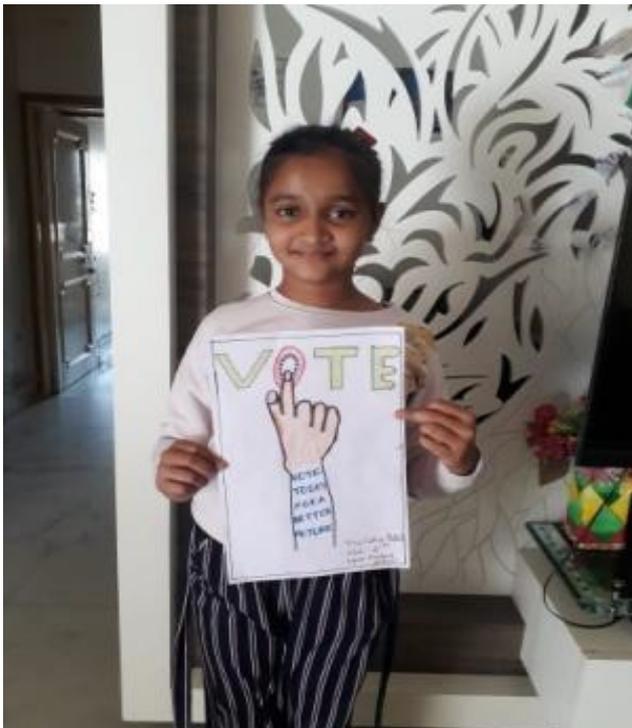

## 2. Republic Day

We have celebrated Republic Day in the school premises with students joining us virtually. The program comprised of speech, songs and flag hoisting.

### 3. National Voters Day

National Voters Day is celebrated every year on 25th January in order to encourage more young voters to take part in the political process. Our students prepared posters to create awareness among the youngsters of 18 years to get enrolled in the electoral rolls of their respective constituency

## Parents Teachers Meeting

Assessments are incomplete if the parents and students are not given constructive feedback. PTM to discuss the performance in Periodic Test 2 was conducted.

## Star Student

We at Gyan Akshar School Unjha always recognize the efforts of the students who are working hard not only academically but also by participating in classroom activities, maintaining regularity and punctuality, collaborating with peer, and maintaining their work up-to-date, timely submission of works assigned etc.

## PARENT'S TALK

We are parents of twisha patel, we are glad our daughter is studying in Gyan Akshar school, unjha in grade 5th. We would like to say thanks to all teachers of GAS for putting so much effort behind our child for her betterment. We have seen improvement in her overall performance.

In the midst of this pandemic, we appreciate the support from school management to engage our child in various activities and making sure nothing is stopping her progress.

The kind and caring attitude of teachers makes it possible for our child to feel at home and comfortable around school environment.

A great appreciation to respected principal of GAS Pratima Sharma ma'am for always being there in once when needed. We appreciate your dedication towards the school and our child's future.

## TEACHER'S TALK

I, Bansi patel, mentor at Gyan Akshar school unjha ,under the flagship of Education India I am glad to be a part of this school and I take social studies in grade 7th, 8th and 10th. Being associated with this school helped me grow in many aspects of teaching field, I have improved a lot under guidance of principal Ma'am and with the help of supportive management. Well designed and diverse structure of our management helps students develop their mental skill, creative skills and critical skill . My experience with fellow teacher have been pleasant. It is a great opportunity to work with such amazing team.
