MONTH - JUNE | ISSUE - 05 | YEAR - 2022

FROM THE PRINCIPAL'S DESK

Mrs. Pratima Sharma
Principal

After a month long vacation teachers and students were welcomed back to the school. To bring innovation and creativity in classroom, teachers attended in-house training along with the teachers of other schools managed by "Education India" and training from the subject experts on the newly introduced books.

To develop student leadership, students were entrusted with many leadership roles. Student council was formed through the process of voting.

Under new initiative, the school introduced awakened citizens program for students of Grades 6 onwards.

Parents orientation cum PTM was conducted to induct parents to the academic session of year 2022-23. Parents gave their inputs and suggestions along with positive feedback for the good work done by the teachers.

Like every other month this month too, students showcased their talent in CCA and events such as International Yoga Day and Father's Day that was celebrated by the school.

School Celebrations and Activities

Day At The School

Buzzing with excitement students begin their day with morning assembly which is theme based, the excitement continues during the day with many different scholastic and co-scholastic activities. Students presented the theme of the month through a role play on the monthly theme "acceptance".

Clubs

Clubs are formed to bring together students who have same interests. Club activities help students develop sense of unity and teamwork, learning how to work with others in reaching the same goals. Clubs at our school change each quarter to ensure students get an opportunity to experience different activities that interest them and develop their skills.

World Environment Day

World Environment Day was celebrated with enthusiasm, wherein various activities were designed for students to perform from their homes, it was a day for doing something positive – and make an earnest effort in doing our bit for our environment. Students created gardens in their home using the waste material available at home.

Father's Day

Father's day was celebrated at school where students presented a well synchronised dance and fathers were involved in the activities with their children. It was a day for the children to show their filial respect to their father whose love in most cases in the silent one which can only be felt.

International Yoga Day

Yoga is the ancient way to attain physical, mental, and spiritual practice. Primarily originating in India, the word 'yoga' is derived from Sanskrit, meaning to unite. This unity signifies the ultimate union of the body with consciousness and thus attaining definitive peace.

School organized preparatory session a week prior to Yoga day which was conducted by Mitesh Thakor-Sport teacher. On 21st Yoga session was organized at school for students.

CCA

CCA helps students develop healthy competitive spirit and use their talent to win accolades and appreciation. This month students participated in different different activities.

Teacher Training

Teachers under the management of "Education India" get training in a phased manner to upgrade themselves professionally and to be able to bring into the classroom something new and exciting each day.

PARENT'S TALK

We are the proud parents of Jina U Patel studying in class II Shanti International School Unjha, the school has a spacious and airy campus, with good Infrastructure.

The classrooms and labs are very well equipped for proper illustrations of any concept.

The teachers are kind, supportive and very cooperative; they always use various methods to make children understand the new topic or concept. The school celebrates various festivals and important days; they also educate the children about the idea or the story behind celebrating the festival. The school organizes a number of competitions and activities to keep the creative genius in the children alive. There is also regular checking of homework and feedbacks are given to us regarding the child's growth and the areas of improvement.

Overall we are happy that the school is giving it's best to educate our child and improve her knowledge and is keeping up with our expectations.

We would like to convey our gratitude to the teachers, principal and management for providing quality education and also focusing on the overall development of our child.
