### CELEBRATIONS AND ACTIVITIES

## Independence Day.

It is the day when we all come together to celebrate and show gratitude to all the brave hearts who lost their lives in getting us the freedom that we enjoy today. Students, in addition to their fantabulous performance in the program that followed the flag hoisting ceremony they also participated in TrirangaYatra where the evolution of flag and patriotism was explained through a street play.

### Janmashtami.

It is another festival that is celebrated in a grand manner. Every child has the naughtiness of little Krishna. Students not only learn about our rich culture through these celebrations but can also internalize the values from Lord Krishna's life. Special assembly was followed by matkifod.
